## How it works

1. Purchase an Intermec CK3, CN3/e, CN4/e and trade-in either a qualifying Intermec computer or a competitive computer between July 20, 2009 and December 31, 2009. Your rebate will be based on a 1:1 ratio of eligible units you trade-in to the eligible new units you purchase. Purchases must be made from an Intermec authorized source.
2. Fax a copy of your invoice (i.e., proof of purchase) for your new Intermec equipment, the attached rebate form and a copy of the shipping label for the returned trade-in units to Intermec Rebate Offer at 651-762-9717. You may also mail to:  
Intermec Rebate Offer  
Dept H835988  
PO Box 100451  
White Bear Lake, MN 55110-0451
3. Send trade-in equipment that is in working condition to the following address (freight prepaid) with a copy of the rebate form:  
Intermec Returns Center  
C/O TCG  
7925 National Turnpike, Suite 150  
Louisville, KY 40214
4. Once the rebate form, invoice and trade-in equipment have been received, an email confirmation will be sent.
5. A rebate check will be issued to the product end user. The total amount of the rebate depends on the unit(s) traded in, as well as the new products purchased and whether Medallion Complete service was purchased. Allow 10 – 12 weeks for processing.
6. Shipments of trade-in equipment must be postmarked within 60 days of invoice for the new Intermec equipment. Example: if the new Intermec equipment has an invoice date of August 3, 2009, the trade-in equipment must be shipped no later than October 1, 2009.
7. All trade-in equipment must be postmarked no later than February 28, 2010 in order to be eligible.
